Scott's Hotrods Billet LS Valve 'n Coil Cover Installation Tips

Scott's Hotrods CNC Billet Aluminum LS Valve 'n Coil Covers 2-piece design looks great while hiding those ugly Coil Packs. They come complete with Breather Fittings and Oil Fill Cap.

Remove stock valve covers. Next you will need to install the Stand-Offs directly onto the heads included with your Scott's Hotrods Valve Covers. Install a stock replacement O-Ring Gasket to the Lower Half of the Scott's Valve 'n Coil Covers. Bolt the Valve Cover to the Stand Offs using supplied hardware.

Install your coil packs to the Valve Cover.
